Appendix

Election of Trustees

The Board of the Company consists of a Chairman, two Vice-Chairmen, up to four appointed Officers (Solicitor, Treasurer, Librarian and Editor), two ex-officio Trustees (one additional Vice-Chairman, the deputy head of mission at the Japanese Embassy, and one Ordinary Trustee, a member of the Japanese Embassy) and up to 14 Ordinary Trustees. The total number of Trustees should be not more than twenty. The number of Ordinary Trustees should be no fewer than four.

One-third of the Ordinary Trustees is required to retire by rotation each year. Those who have retired by rotation may stand for re-election but no one may serve for longer than six consecutive years as a member of the Board.

The Board has appointed a nominations committee comprising Christopher Purvis (Chairman), David Cairns (Vice-Chairman), Hiroshi Hattori, Hitoshi Noda (ex-officio Trustee) and Heidi Potter (Chief Executive). This committee reviews the skills that are required on the Board from time to time and the succession policy; and it makes recommendations to the Board on possible future appointments.

Christopher Purvis will stand down as Chairman after serving for six years. Following a selection process by the nominations committee, your Board is most happy to recommend Sir David Warren, currently British Ambassador in Japan, for this role. David’s credentials are impeccable; as well as tours of duty in Japan, he has previously served on the Board and knows the Society well.

Sir David is not expected to finish his embassy in Japan until the end of the year. It is therefore proposed that he be elected with effect from 1 January 2013. In the interim, your Board has asked one of the Vice-Chairmen, David Cairns, to serve as acting Chairman, and he has kindly agreed.

This year it is expected that, as a result of the requirement to retire by rotation, the requirement that no one may serve as a Trustee for longer than six consecutive years and some resignations, there will be seven vacancies for Ordinary Trustees which may be filled at the annual general meeting (the “AGM”). Martin Day, Stephen McEnally, George Olcott and Michael Spencer are all Ordinary Trustees who will retire by rotation, and have indicated that they are willing to stand for re-appointment. All are enthusiastic and valuable members of the Board, which warmly recommends their re-appointment.

There are three people standing for election to the Board as Ordinary Trustees for the first time. Graham Holman, Michiaki Nakamura, and Tetsuro Terada; all have much interest in supporting the continuing development of strong Japan-UK links and their wealth of experience and expertise will be of great benefit to the Company as it looks to the future. The Board proposes each candidate’s election. Biographical details of all seven Ordinary Trustee candidates are set out in this Appendix.

Overall, there is one candidate for election as Chairman and seven candidates for election to fill a possible seven Ordinary Trustee vacancies on the Board. Members are therefore asked at the AGM to cast their votes “For” or “Against” each candidate. Members may also select the “vote withheld” option if they do not wish to vote for or against any particular candidate, although a vote withheld in this way is not a “vote” by law and will not be counted in the calculation of the proportion of votes “For” and “Against” a candidate.

We are always looking for new people to be involved with the Company in different capacities, including as committee members and as Trustees. We encourage members to let us know at any time during the year if they would like to be more involved. Suggestions of names of people to be considered for committees or for the Board should be made to any member of the nominations committee or indeed any member of the Board.

Members may vote, as normal, in person at the AGM on 12 June 2012 or by proxy. A proxy form is enclosed in this booklet for this purpose.
