

New Year Cards

Having examined the New Year cards, now try and design your own. You could try writing 'Happy New Year' in Japanese, which is: あけましておめでとう - akemashite omedeto. You could also try signing your name using the katakana alphabet. Can you write the year in kanji characters as well? Don't forget to draw a picture of the animal which will represent next year!

A rectangular template for a New Year card, enclosed in a double-line border. It contains three distinct areas for content: a horizontal rectangle at the top, a large oval on the left side, and a horizontal rectangle on the right side.

A large, empty rectangular box with a double-line border, intended for drawing a picture of the animal representing the next year.
