

Origami Paper Cup

Follow the instructions to make your own origami paper cup:

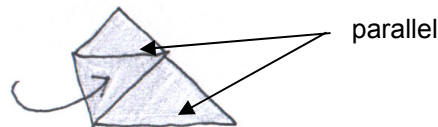

1. Place a sheet of square paper in front of you, with the pointed edge towards you, turned so it looks like a diamond.

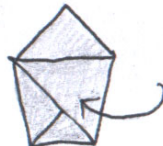

2. Fold the sheet of paper in half to make a triangle.

3. Fold the left-hand corner across to meet the other side. The top part of this fold should be parallel with the bottom edge of the triangle.

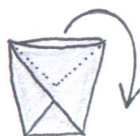

4. Repeat on the other side, folding the right-hand corner up to meet the left edge.

5. Fold one of the top flaps down and tuck it into the pouch at the front. This will help secure the cup.

6. Fold the other flap over the back.

7. Your cup is now complete!
