

Make A Thank You Card

Think of a friend or person in your family who has done something kind or helpful for you. You are going to make them a special card to say thank you. Follow the steps below to make your card.

1. Fold the card along the dashed lines so you can write on the inside and decorate the outside
2. Write your message on the inside.
3. Decorate your card however you like. You can draw your own designs or colour in and cut out the designs below.

Dear Mrs Smith

I am writing to thank you for talking to me last week
when I was having trouble with my homework.

When you listened to me and encouraged me
I felt calmer and less stressed

and so I wanted to write you a letter.

It meant a lot to me because I feel more confident
about my school work now.

Thank you again.
