Activity: Make a Chitose ame Bag!

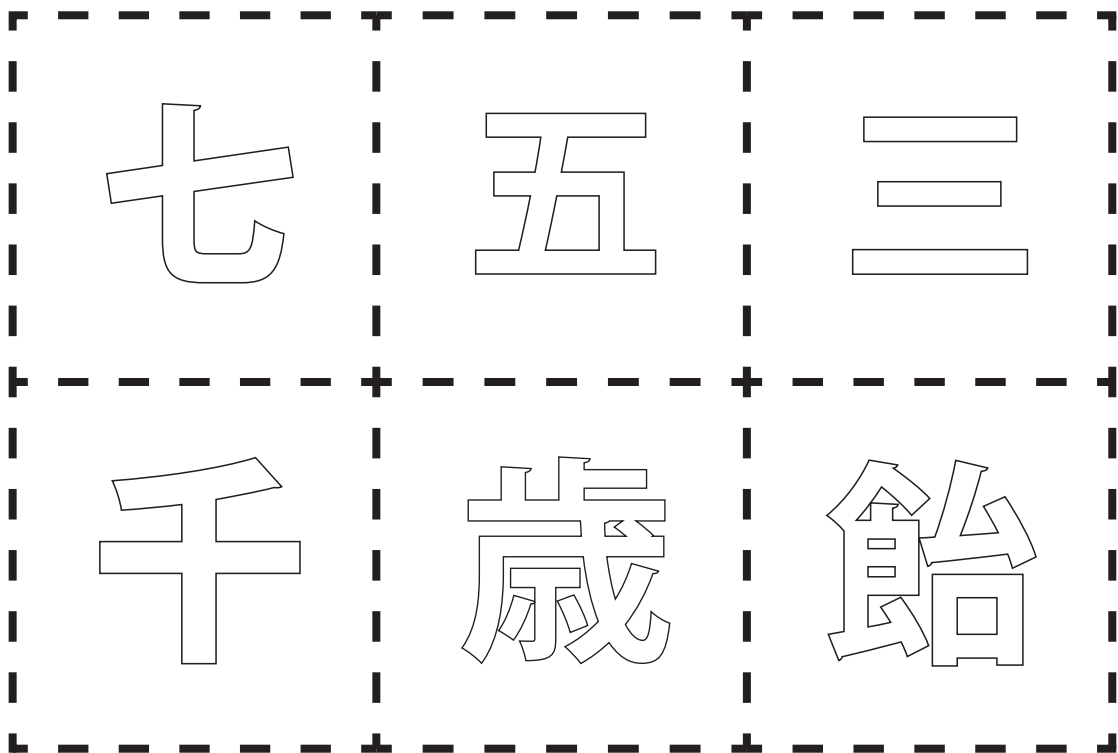

You will need:

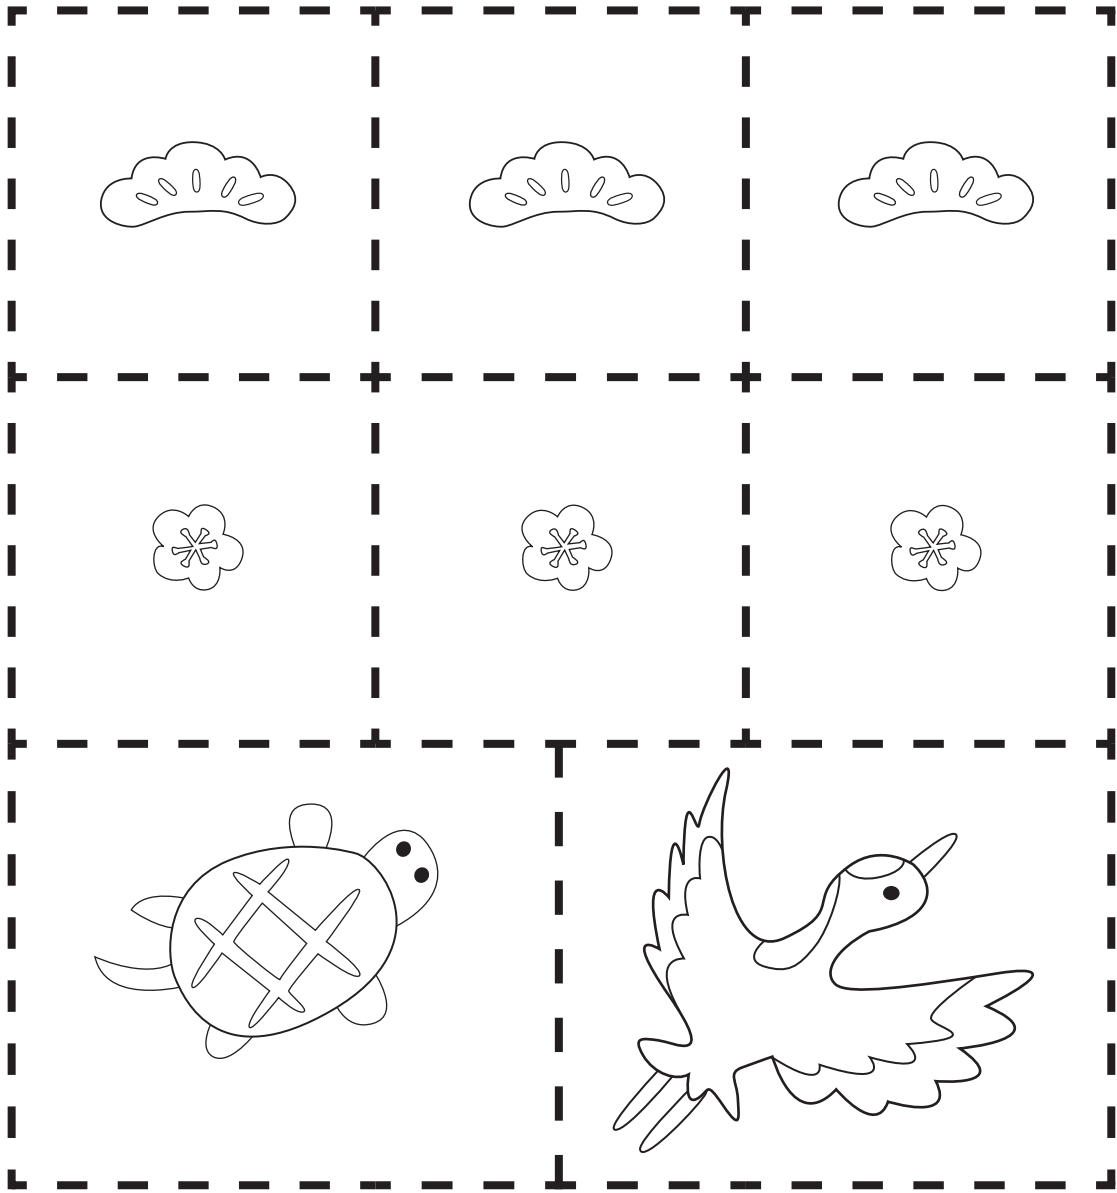

- Scissors
- Colouring pencils or felt tips
- Sellotape or glue
- Optional: Stickers, Sequins, coloured paper

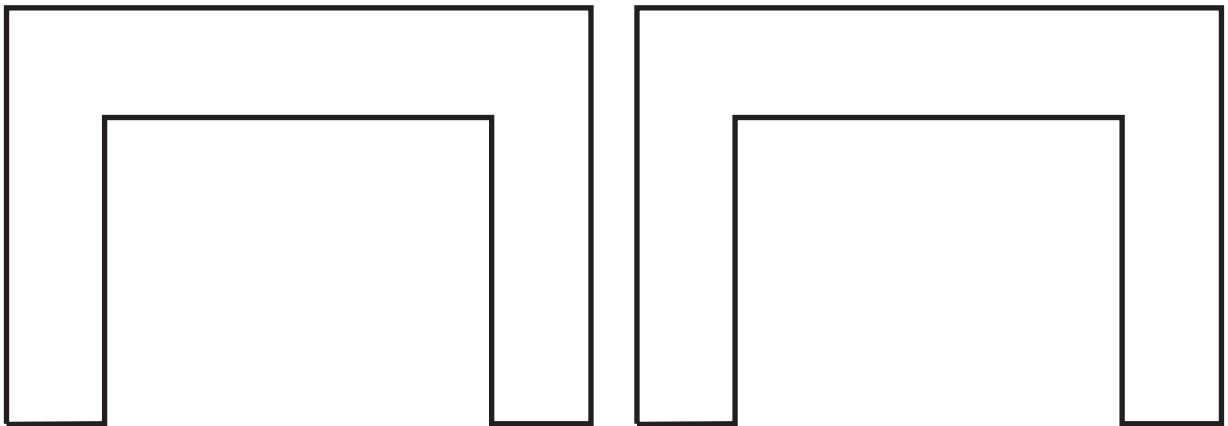

Instructions:

1. Cut out the template on the last two pages to make your bag.
2. Cut out and colour the handles. Attach the handles with glue or sellotape. (You can also make the handles with colour paper).
3. Decorate your bag however you like. You can colour the kanji characters and illustrations below and stick them on the bag. Or you can draw your own designs or copying some of the illustrations and write 7, 5 and 3 in Japanese yourself.
