

## Magazine Box

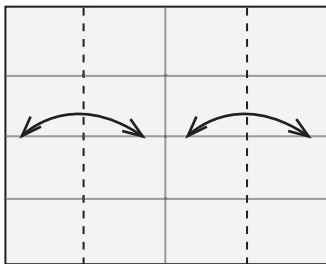

1. Fold the long edges together to fold the paper in half. Unfold.

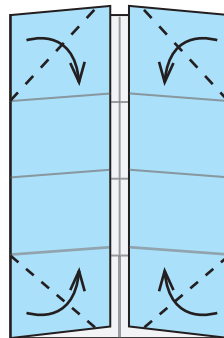

2. Fold each of the long edges to the middle. Unfold.

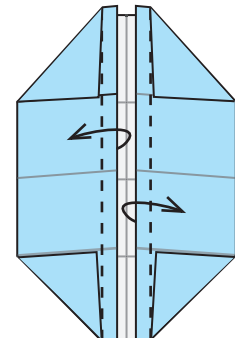

3. Fold the short edges together to fold the paper in half. Unfold.

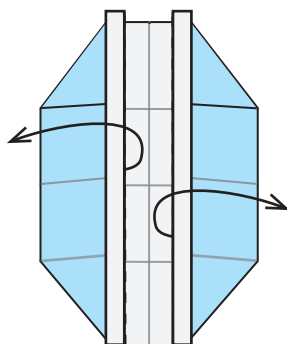

4. Fold the short edges to the middle.

5. Fold the corners onto the crease lines that are one quarter along the longer edges.

6. Fold the inner flaps of paper outwards and over the corners.

7. Open the box and reinforce the creases of the edges to strengthen it.
