

Paper Cup

1. Fold the bottom corner to the top corner to fold the diagonal.

2. Move the right corner onto the left edge of the triangle. Adjust the position so that top edge of the flap is parallel to the hypotenuse of the original triangle.

3. Fold the left corner onto the right corner.

4. Fold the top upper flap downwards.

5. Turn over and repeat step 4. Then open the cup with your fingers.
